The April presentation will be a tour of the S.M.A.T. hangars and operations at the Ionia airport (468 Sprague Road). The hangars are on the Northeast corner of the airport. Directions are:

MARCH MEETING REPORT

The meeting commenced at 10:07am with 15 members and 1 guest attending. The meeting adjourned at 12:10pm

FEATURED PRESENTATION

Members were treated to a slide & video presentation made of the first Week's Restoration trip in 1995. Many of the members attending may have changed but the interesting projects and warm

reception given to us every year since have not. More on the annual trip at the April meeting.

BUSINESS MEETING

Walt Clausen, president of EAA Chapter 211, invited all members of EAA Chapter 145 to participate in their trip to the Dayton, Ohio Air Force Museum complex on September 24th & 25th. Cost of the trip will be \$45 per person for chartered bus transportation (bring your favorite DVD along) and \$50 per person for the motel (based on double occupancy). This is open to the first 55 people so space is limited.

YOUNG EAGLES

The new year of Young Eagles is beginning. The first rally is scheduled for May 1st at Kalamazoo. Following rallies will be May 22nd at Greenville (sponsored by EAA Chapter 145) and June 26th at Allegan. Pilots and ground crew wishing to participate should contact Dick Foster for details.

As a result of the efforts of Dick Foster, volunteer ground crews and the many others who fly the YE rallies, many young men and women ultimately gain their ratings. New additions to the YE program include possible scholarships to the EAA Air Academy and full scholarships which could pay for the Young Eagle's total Flight training. More to follow on these events in the near future.

TECH CORNER

Mike Dubois is nearing the end of the road in his RV-9a journey with the imminent final inspection of his plane. Good luck on the inspection and first flight to Mike on his accomplishment.
