

CHAPTER MEETING OCTOBER 8th AT 10:00 AM 2005

GRAND RAPIDS

CHAPTER 145

Web Page WWW.EAA145.org

The September meeting was called to order by Hue at 10:15 .at the Riverview Airport. Fourteen members were present and three guests.

The treasure report was given and a special thanks to those who have donated money and labor to our hanger project.

Program for Saturday, Oct. 8, 2005

Hugh and Dick will be out of town so the meeting will be run by Chuck. The topic will be the "RV" story. Not 'RiverView' airport story, but a great video on the history and development of the RV line of aircraft. After the story, Bill will give you a tour of the updated EAA hanger, which will soon be part of the "RV" Story

Notes from Sept. 10 meeting:

Chapter 145 met at Riverview airport. Hugh and Kel presented up to date information on the Sport Pilot Certification. The two main areas covered were the pilot requirements and the aircraft specifications. The pilot requirements to obtain a Sport Pilot Certificate is basically a valid drivers license. The basic aircraft specifications are 2 place, 120mph and less than 1320 lbs.

Old Business: Chapter dues will be effective and collected in January of each year for all members, regardless of when you joined. The Chapter hanger has the back wall covering completed and the side walls are scheduled next. This is a Chapter project so anyone

Wanting to help with the hanger upgrade, contact Bill Willyard (538-5456)...thanks.

New Business: Discussion took place about the day and time of future meetings. Summer day/time may be different from winter time/day. Programs for future meetings were reviewed, suggestions from members were noted.
