## CHAPTER MEETING

### \*\*\*Updated Meeting Note\*\*\*

Jack Dekkinga will be presenting this month's EAA Chapter 145 meeting. He will be telling us about his journey to choosing a new airplane. He had a RV-7 or RV-9 (2-seater) and was looking to move up to a 4 seater. The 4 seater will allow for greater load carrying ability and more flexibility when touring on long trips.

## OSHKOSH!!!

OSHKOSH was a bunch of fun again this year. The Chapter camping was reduced quite a bit from what we normally get, but we managed to have a good time in the cozy confines. Thanks to Bruce for arranging the chapter space, and managing the concerns of all involved. The weather for the most part was good.... But it would not be OSHKOSH without a near-tornado going thru at least once during the week.
